#### **Question 6**

Glenco is an international organization that is headquartered in the state of Sokovo. It is engaged in various human rights projects in the country. Mr. Ben is the Head of the organization. Charles is a citizen of Sokovo. He is wanted by the police in Sokovo in connection with espionage and sabotage. Security officials believe that he is being harboured in Glenco's headquarters. They bug the phones in the building hoping to hear information confirming their suspicions. They secretly search diplomatic bags and couriers bringing packages to the organization. On the 03<sup>rd</sup> March 2018, the police and the military decide to storm the headquarters in search of Charles. They break through the gates and

search the building. Charles is found hiding in the basement. He is apprehended along with Mr. Ben and police also seize some documents which they believe will evidence that the organization was arranging to sneak Charles out of the country. A law suit is contemplated against the organization with regards to the legality of its actions.

With the use of decided cases, discuss issues of privileges and immunities which arise from the above scenario.
