**MARKS: 100**

**TIME: 3 HOURS**

---

**Instructions:**

Answer any **THREE** Questions

1. Discuss the view that good governance is reshaping the Third-World state and the administration of its development.
2. Explain why and how natural environment issues become crucial governance factors in developing countries.
3. Contrast state-centred and society-centred models of the public policy process in developing countries.
4. Examine the view that bureaucracies in developing countries are anti-poor and anti-political.
5. Assess any three strategies of administrative reform, commenting on their success in developing countries.
