DEPARTMENT OF ENGLISH LANGUAGE AND LITERATURE
DTA 2309 APPLIED THEATRE

MAY 2023

MARKS:100

3 HOURS

INSTRUCTIONS:

Answer THREE questions.

All questions carry equal marks

Question 1

Applied drama has two major applications- as a learning process and as a product. Discuss these two applications giving explicit example on any community and social issue of your choice

Question 2

Discuss the contribution of Paulo Freire, Augusto Boal and Bertolt Brecht in the theories and practice of applied drama.

Question 3

You have been invited as a consultant by the Ministry of Planning and Development for their National Communication Strategy Workshop. Justify, through the *SWOT* analysis, why *Theatre/Drama* as a culture-based approach to community development should be included in the communication strategy.

Question 4

Explain how Brecht's principle of A-effects or distancing can be used in cognitive processing in a production addressing mental health issues.

Question 5

You have been approached by the Ministry of Gender Sports and Recreation to create a campaign on the primary prevention of violence against women and girls in Lesotho. Discuss which behavioural change communication theory you would employ, to design your campaign and which intervention you would use to reach your target group/s.
