

NATIONAL UNIVERSITY OF LESOTHO
FACULTY OF SOCIAL SCIENCES
B.A. EXAMINATIONS
PA3305: SOCIAL SCIENCE RESEARCH

JANUARY 2024

TIME: 3HRS

MARKS: 100

Instructions

Answer **any three** questions

1. Explain three types of research designs, indicating conditions under which each of them may be used in a research project.
2. Explain any four types of sampling techniques common in qualitative research and show when it is appropriate to use each of them.
3. Discuss four types of data generation methods and indicate the value of using more than one of them in a research project.
4. Explain any five levels of measurement, indicating how each is used in research.
5. Explain any four ethical principles in social science research and show why and how they are applied in actual research projects.
